FROM OUR ANNUAL MEETING

Our September 8th Annual Meeting brought out an overwhelming showing of the membership and a number of Associates. The election of officers headed the agenda..... with Bill Babcock reelected President by a landslide..... along with Norm Legassie as Vice President, Joanne Ballinger as Secretary and Ed Moran as Treasurer. Bill received a gift in honor of his many years at the helm.

The Spring Show chairman will be Lou Bonamarte. Other committees remain the same with Helen Schink - Publicity, Ann Moran - Hospitality, Bettie Atwood - Printing & News, House and Grounds - Bill Babcock, and Gersh Camassar - By-laws and Constitution.

Discussion of next years calendar and proposed shows was postponed to later business meetings in anticipation of the time needed for review of member-elect work. Nine artists were proposed for membership.....and we elected nine new members.

Full of optimism and good spirits, we closed the meeting with a luncheon thoughtfully arranged by the Morans.

NEW MEMBERS

Welcome to Rachel Armstrong,
Janice Dibattista, Lida Fry,
Donna Gilberto, Scott
LaBossiere, Maxine Luther,
Nancy Schwartz, Daniel Truth
and Gordon Wiles

WANTED: Someone with an interest in the fascinating history of the LYME ART ASSOCIATION to work on our archives and add to the work begun by Doris Jorgenson a number of years ago. Also.....It has been suggested that an historical note would be a fine addition to the GALLERY NOTES each month..

??Where are YOU??

Most members are doing well with gallery-sitting obligations.

Next.....we come to the needs of various committees that make up the backbone of our organization. Everyone should be helping in some capacity.....think about where you fit in.....volunteer!

SHOW POSTPONED

Plans for an Associates' show in October have been cancelled.....to be reconsidered for the spring when we will take a preliminary poll to determine the interest. The type of eligible art work will need to be further defined and show dates worked into the '92 schedule.

With such a short preparation time, the response from Associates has not been large enough to create an exhibition. But with the information available later, we hope to be hearing from many more. Get Ready!!!!
